FOIA: 19-HQ-F-00473

Dear Sir or Madam:

This is in response to your Freedom of Information Act (FOIA) request dated April 15, 2019, and received at the National Aeronautics and Space Administration (NASA) Headquarters FOIA Office April 17, 2019. Your request was assigned FOIA Case Number 19-HQ-F-00473 and was for:

I would like to obtain all emails sent to, from, or copies to James Frederick Bridenstine from January 1, 2019, to Present day, containing any of the following non-case-sensitive key strings: 'SLR' or 'SpaceX.'

Your request was for information regarding, "all e-mails sent to, from or copies to James Frederick Bridenstine, from January 1, 2019, to the date of this request, containing the search terms "SLR" or "SpaceX," and your request is overly broad. Please understand, that Mr. Bridenstine, is cc'd on all NASA mission related documents. This has created an overly burdensome request for us to process. The requester must describe the records sought in sufficient detail to enable Agency personnel who are familiar with the subject area of the request to identify, and locate the record with a reasonable amount of effort. To the extent possible, requester should include specific information that may assist the program office in identifying the requested records, such as the date, title or name, author, recipient, subject matter of the record, case number, file designation, or reference number. At this point, we are asking you to provide us with any additional information about the specific records or the types of records you are seeking.

Your request is in the 'other use category' for fee category purposes, which entitles you to two hours of search and 100 pages of copy. We are asking you to provide more supporting information regarding the responsive documents you are seeking, this will help to optimize your 100 pages of responsive records.

In accordance with 14 CFR §1206.301, 14 CFR §1206.302, and 14 CFR §1206.507, if we do not hear from you within 20 working days from the date of this letter, we will consider that you are no longer interested in this request and we will close our file. You may submit a new request for the same information, however, you must provide the requested information as indicated above. Please review our FOIA regulation, which can be found at: <https://www.nasa.gov/FOIA/guidance.html>.

If you have further questions, please feel free to contact me at [hq-foia@nasa.gov](mailto:hq-foia@nasa.gov) or (202) 358-2462.

Sincerely,

A handwritten signature in cursive script, appearing to read "Josephine Sibley".
